

A vibrant collage of fresh ingredients and prepared food. In the foreground, a wooden cutting board holds four RADA knives with black handles and stainless steel blades. To the left, a white tray is filled with fresh asparagus. In the center, a small bowl contains sliced strawberries. To the right, a plate of sliders with dark patties sits on a wooden surface. The background is filled with various fresh vegetables like red and green bell peppers, onions, mushrooms, and tomatoes, along with a bowl of raspberries and a loaf of bread. The overall scene is bright and appetizing, set against a light grey background.
