## Internet Fundraising

Add Internet Fundraising option to collect more orders in your community and from out of town friends and family. Sign up in just five minutes at [RadaFundraising.com](http://RadaFundraising.com) by selecting "Start Your Internet Fundraiser." You will receive step by step instructions on how to share your group's fundraising link online. Your group will earn the same fundraising profit as your catalog fundraiser.

## Discount Cards for RadaFundraising.com

### Internet Fundraising

Fundraising sales are typically the most successful with a face to face request for support. Selling Rada Discount Cards combines the face to face request with online ordering. The best part is you earn a profit at the time of the sale and typically earn more profit when the discount card is redeemed!

The way it works is your group sells \$20 discount cards to immediately earn \$8 (40% profit after your purchase price of \$12). Your supporter will go to [RadaFundraising.com](http://RadaFundraising.com) to select your group from the menu and place their order. Your group will earn additional profit on products ordered above the \$20 discount card.

To get started, purchase your \$20 Fundraising Discount Card customized with your group's name and search code. Cards are purchased in increments of 10 at your wholesale cost of \$12 each. Any unsold discount cards can be returned for a refund minus 25¢ each (within 90 days of purchase).

## Simple Sorting

The "Simple Sorting" process was developed to help make it EASIER for leaders!

A quick overview:

- We pack your orders by salesperson so it is easy for you to distribute when you receive your shipment.
- Each salesperson will receive a printout of what they sold and the amount of profit they earned. The leader will receive a profit summary.

Simple Sorting is a FREE service.

1. No minimum for orders placed at [www.SortedOrders.RadaMfg.com](http://www.SortedOrders.RadaMfg.com) (call to set up your account).
2. Mailed orders require a minimum order of \$1,000 or more in money collected.

Benefits of you entering your sorted orders online yourself are: (1) you save the postage cost plus the time it takes for your mail to reach us; (2) you control the data entry and can enter the Order Takers as your salespeople return them to you; (3) most online entered sorted orders will be processed in 3 working days (most mailed sorted orders will process in 4 working days); (4) orders packed by salesperson regardless of order size.

More specific information about both "Simple Sorting" options is provided on our website at [www.RadaCutlery.com](http://www.RadaCutlery.com) in the fundraising section. As always, please call Customer Service for answers to your questions!
