Craftsmanship

- **Made in USA**
- Finger guard for maximum protection
- Surgical quality T420 high carbon stainless steel blades on all knives
- Resin handle on all black knives for better dishwasher tolerance
- New matte finish on Anthem Wave knives
- Ergonomic comfort grip
- Permanently cast solid brushed aluminum handles, satin finish – hand wash only
- All blades hand sharpened for a razor-sharp edge and hollow ground to ensure precision concave surface for maximum edge retention

Care Instructions

Hand washing all fine cutlery is recommended to prevent microscopic dings on the blades’ cutting edge. Hand washing also eliminates the harsh environment created by a dishwasher’s high temperatures and abrasive detergents and helps protect your knives from corrosion, ultimately extending the life of their finish.

Metal Cleanser & Polish

Restore aluminum handles to a smooth light gray finish. One 1 oz. packet cleans at least six handles.

Great Grilling Starts Here!

New
Wooden Grill Scraper
Clean the grates of your grill safely and easily with Rada’s new Wooden Grill Scraper. With this sturdy scraper, you won’t need to worry about dangerous wire bristles getting into your family’s food. Customized grooves will form with each use, so the more you use it, the better it works (high heat allows the grooves to form quickly).

Like all Rada products, our scraper is proudly made in America.
